

David Gilbert

Young, NSW 2594 

david@davidmgilbert.com 

Being a dedicated, honest, safety-conscious, and dependable professional, I bring a diverse skill set suitable for any business environment. With over 20 years of comprehensive experience in IT, spanning hardware sales, repairs, website design, software development, cyber security, electronics, IoT, and SBCs, I offer a wealth of knowledge and expertise.

My background in volunteer emergency services has honed my leadership abilities and adeptness in working with individuals from various backgrounds. Through managing my own small businesses, I have mastered the art of developing robust customer relationships. Whether working independently or as part of a team, my adaptable nature ensures effective collaboration and results-oriented performance.

Licenses & Qualifications

- HR Truck License & Forklift
- Boat License
- SpraySmart Chemical Certification
- Firearms license (AB)
- First Aid & Advanced Resuscitation (CPR)
- Qualified Volunteer Fire Fighter
- Qualified in General Land Rescue
- Qualified in Urban Search & Rescue
- Qualified in Industrial & Domestic Rescue
- Qualified in Road Crash Rescue

Activities

I have a multitude of hobbies and interests. I enjoy 3D printing and CNC tools such as laser cutters and engravers and use them regularly in my electronics and remote control planes and vehicles. I also enjoy metal detecting and prospecting having previously sold and repaired metal detectors and prospecting equipment as a business for a few years in South Australia before moving to New South Wales.

Other hobbies and interests I regularly engage in are personal development and learning opportunities in line with my voluntary activities with the NSW SES.

Experience

2016– CURRENT

VOLUNTEER / SA CFS & NSW SES

I have been an active emergency services volunteer now for over 8 years. I enjoy the challenges, learning opportunities and privilege to help make a difference in the lives of others and my local community.

2004– CURRENT

SELF EMPLOYED / SOLE TRADER

I have for over 20 years now actively maintained and provided a comprehensive range of website design and hosting services, along side print and promotional products to clients across Australia.

I have also throughout this time pursued additional business ventures in the transport industry as an owner/driver interstate logistics operator (truck), retail sales and service of metal detectors and prospecting equipment, software as a service (SaaS) website owner and I'm currently exploring and developing IoT technologies for agriculture with a focus on soil health monitoring.

2001 – 2004

SELF EMPLOYED / DMG Computers

Straight from high school, I embarked on my first business venture, DMG Computers, providing computer sales and repair services from a shop front in the southern suburbs of Adelaide.

I closed my store in 2004 so I could focus on my website design and development activities.

Education

2016 – 2024

Emergency Services Disciplines / SA CFS & NSW SES

As a proud and current volunteer of the NSW SES, I have completed various courses in Road crash rescue, Industrial and domestic rescue, urban search and rescue as well as certificate IV in training and assessment.

2022

HRW Forklift License / SiteTrain

2021

CERT III Transport Operations / TTS (SA)

2012

DIP. DIGITAL MEDIA TECHNOLOGY / Evocca College

2001

YEAR 11 / Christies Beach High School (SA)
